

How did it get to be so late, Fall is here! It is also time to get a jump on Christmas and get things done early, so there is a better chance of relaxing at the holidays (at least we can dream). So what better way to cross off an easy holiday to-do item by supporting CBRC's annual holiday wreath sale. So after you buy one for yourself, and your neighbor, reach out to your family, relatives, grandparents, family friends, the neighbors you don't talk to enough, co-workers, kids' teachers, business clients, stores that you frequently shop at, or the people on your shopping list who don't need anything, or never like what you get them anyway.

These wreaths not only make great decorations for your own doors, they are also great for friends, family, and client gifts. The wreaths can be shipped anywhere in the United States (an additional charge of \$25 must be added to ship them to Alaska and Hawaii). It is a beautiful gift from the Pacific Northwest. The wreaths are fresh cut Noble Fir and adorned with natural cones and a red bow. For an additional fee the wreaths can include Cedar and Blue Berried Juniper. They smell and look fantastic and they have a long life.

We hope that you will consider buying a wreath and support CBRC. **The order forms are due at the banquet on Wednesday, November 7th. The wreaths will be available for pick up at the boathouse in Tillicum on Saturday, December 1st from 9:00 a.m.-10:30 a.m.** If you are unable to make those dates, contact me by email at [brisenowendel@yahoo.com](mailto:brisenowendel@yahoo.com).

You can also email the order forms to family and friends and turn in their order forms for them.

Thank you for your continued support of Commencement Bay Rowing Club.
