

Rowing on American Lake South of Tacoma, Commencement Bay Rowing Club Juniors Program (middle school thru high school), is seeking coaches for the 2021-2022 season. We have part-time hourly positions afternoons Mon-Fri (some Sat am) open for lead coaches and assistant coaches. We have been consistently competitive at both the local and national level. We are a program based on a journey process for all athletes. Pay is hourly based upon experience, and additional hours may be available for the candidate that possesses boat repair and/or interest in coaching our masters program. Our season begins in September and you will be working in conjunction with our solidly experienced coaching staff. For more information or to apply contact Board President Jim Gallagher at [jdg231554@icloud.com](mailto:jdg231554@icloud.com) or 253-405-7811
